

7810

NEW

DIESEL

Field of application: larger electric tools, compressors, garden shredders or circular hand saws, el. welding.
 Compact, silent design. Automatic shut down if low oil level is detected.
 One CEE 32A-1ph. socket, two Schuko-sockets.

7810 E-S/ZEDA SS

Order-No.: 986481
 GTIN: 4038469222615

Alternator	Synchronous
El. capacity: 1~ cos φ 0,8	6200 VA
Voltage 1~	230 V
Max. sum. current 1~	27 A
Current 1~ (CEE)	27 A
Current 1~ (Schuko)	16 A
Max. starting current cos φ 0,6 (with 20% voltage drop)	54 A 1~
Frequency	50 Hz
Safety class alternator	IP 54
Engine type	Hatz 1B50
Number of cylinders	1
Torque-speed	3000 U min ⁻¹
Fuel type	Diesel
Engine oil capacity	1,5 l
Engine power	7,6 kW
Cooling engine/alternator	Air / Air
Tank capacity	22 l
Operating time: full load / half load	9 / 14 h
Weight	245 kg
Dimensions L x W x H	1090 x 660 x 815 mm
Noise power level L _{WA}	95 dB(A)
Noise pressure (10m)	65 dB(A)

Accessory (optional)	Order-No.
Exhaust hose	904872 ³⁾
Waterproof sockets	903052 ⁶⁾
Standard starting battery	901067
Earthing set	908250
Automatic emergency power switch NS 10	on request
